

## TRUCK WASH BOOM 3600mm. WALL MOUNTED

### PRODUCT DESCRIPTION

EASYWASH 365 + TRUCK WASH BOOM 3600mm. Wall Mounted.

An excellent wash boom for professional truck wash bays and washing of large vehicles. This stainless steel Easywash365+ high pressure wall mounted boom is very sturdy and extremely robust. Maintenance free swivel arms have been well-proven for decades and are available in different lengths and designs, to suit any wash bay.

This truck wash boom is 3600mm in length and comes ready for installation. The boom has two integrated swivels and a high pressure hose with spring and integrated hose bend restrictors. The car wash boom Easywash365+ system helps the operator move around their vehicle much easier. It also ensures high pressure hoses are kept off the wash bay floor, ensuring no snagging of the hose. Especially designed for using two booms side by side
